GW4 FRESH CDT: Student Application 2020/21 Bath Uni Projects

Page 1: Before you begin

Thank you for your interest in studying for your PhD with the GW4 FRESH NERC Centre for Doctoral Training.

The deadline for applications is **9am on Thursday 11 June 2020**.

You can save the form and complete in stages BUT after you submit you cannot go back to edit or change your answers. IMPORTANT - Download and save a copy of your application form directly after you submit your answers - you have only 15 minutes to do this.

The Lead supervisor of your project(s) will be sent a copy of this application form (less the E&D section). Project supervisors will put forward their first choice candidate for interview by a central CDT panel, and will shortlist candidates on the basis of this application form against the following criteria:

- **proven academic quality**: normally evidenced by an excellent performance at first degree and/or Master's level, but may also be demonstrated by a record of relevant professional practice;
- **research potential**: evidenced through application responses and supported by performance in research projects at first degree and/or Master's level, or another form of dedicated preparation for research;
- **personal motivation and commitment**: evidenced through application responses, by enthusiasm for the project area, and in relation to career goals.

All applicants will be informed of the shortlisting outcome by 5pm on **23rd June 2020**.

If you are shortlisted you will need to:

- arrange for **two referees** to send references to the CDT by 9am on 29th June
- send a copy of your **academic transcript(s)** by 9am on 29th June
- attend an **interview** online, on 30th June.

Further details will be included in the shortlisting letter.

Please note: This application is for the studentship known as an **'Offer of Funding'.** You may also need to apply for admission, known as an **'Offer to Study',** from Bath University by completing their institutional application process (please see website for details).

Data Protection:

If you are applying for a place on a collaborative programme of doctoral training provided by Cardiff University and other universities, research organisations and/or partners, please be aware that your personal data will be used and disclosed for the purposes set out below.

Your personal data will always be processed in accordance with the GDPR 2018. Cardiff University ("University") will remain a data controller for the personal data it holds, and other universities, research organisations and/or partners ("HEIs") may also become data controllers for the relevant personal data they receive as a result of their participation in the collaborative programme of doctoral training ("Programme").

Application Process

During the application process, the University may need to share some of your personal data with third parties to be able to administer your application, carry out interviews and select candidates. These are not limited to, but may include disclosures to:

- the selection panel and/or management board or equivalent of the relevant Programme, which is likely to include staff from one or more other HEIs or research organisation;
- administrative staff at one or more other HEIs or research organisation participating in this Programme.

Such disclosures will always be kept to the minimum amount of personal data required for the specific purpose. Your sensitive personal data may need to be shared in certain circumstances, but only where strictly necessary. By applying for a place you hereby consent to your data being processed and shared in this way.

If you become a student on one of the Programmes

If your application is successful and you register on a Programme, the University may need to make further disclosures of your personal data throughout your time on the programme to ensure the effective management of your studies and comply with its obligations to funders. These disclosures may include, but are not limited to disclosures:

- within the group of HEIs to the Programme;
- to other collaborative parties to the relevant Programme, e.g. industrial sponsors and/or collaborators, supervisors from other HEIs, Research Councils (as funders of

the Programme);

- to external examiners.

Other disclosures may be made where it is necessary for the administration of your studies.

Accessing your personal data

If you wish to have access to any of your personal data as held by the University, please contact InfoRequest@cardiff.ac.uk. There may be a fee of £10 associated with such requests.

Contact

If you have any queries or concerns about the use of your personal data during the application process or your time as a student, please contact PGR Quality and Operations (Registry) by emailing pgr@cardiff.ac.uk.

39. Please confirm you have read the data protection statement and are happy for your information to be collected and shared as specified in the application form. If you do not agree with the terms, exit the survey without submitting. ✱ *Required*

○ Yes, I have read and accept these terms
